## Global Vizyon, Yerli Üretim Gücü

1996 yılından bu yana, İstanbul Güneşli'deki modern tesislerimizde yüksek teknolojiyle üretim yapıyoruz.

Bugün, üretimimizin %80'ini Türkiye iç pazarına, %20'sini ise başta Avrupa olmak üzere dünyanın dört bir yanına ihraç ediyoruz.

Ulusal ve uluslararası spor giyim markalarının güvenilir kumaş tedarikçisiyiz.

Since 1996, we have been producing with high technology at our modern facilities in Güneşli, İstanbul.

Today, 80% of our production serves the domestic Turkish market, while 20% is exported worldwide, primarily to Europe.

We are a trusted fabric supplier for national and international sportswear brands.

Spor giyim geleceğini birlikte örüyoruz...  
Shaping the future of sportswear, together...

Karashahin Kumaşçılık olarak, spor giyim sektöründe konfor, kalite ve çevre dostu üretimi bir araya getiriyoruz.  
As Karashahin Textile, we combine comfort, quality, and eco-friendly production in the sportswear industry.

## Geniş Ürün Yelpazemiz Our Wide Product Range

Spor giyime uygun, teknik özelliklerle donatılmış yüzlerce çeşit kumaş seçeneği sunuyoruz. Bazı ürün gruplarımız:

### 2 İplik ve Diğer Karışımlar (Two-Thread and Other Blends)

Pamuk/Polyester bazlı kumaş çeşitleri - Cotton/Polyester-Based Fabric Varieties

#### DRY TOUCH®

Korteks'in sınırlı sayıda yetkilendirdiği bu kumaş teknolojisi, nefes alabilirlik ve nem yönetimiyle spor giyim için üst düzey performans sunar.

This fabric technology, authorized in limited quantities by Korteks, offers top-level performance for sportswear with breathability and moisture management.

Doğada çözünebilir elyaflarla üretilmiş çevre dostu kumaşlarımız, sürdürülebilir üretim anlayışımızın en güçlü örneklerinden biridir. Our eco-friendly fabrics, made from biodegradable fibers, are one of the strongest examples of our commitment to sustainable production.

Geri dönüştürülmüş malzemelerden elde edilen REBORN kumaşlarımız, hem çevreye duyarlıdır hem de spor giyimde ihtiyaç duyulan dayanıklılığı sağlar.

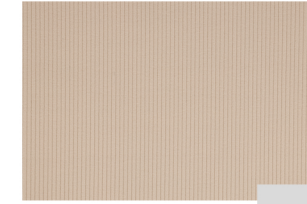

Our REBORN fabrics, made from recycled materials, are both environmentally friendly and provide the durability needed in sportswear.

Bu yenilikçi kumaşlarla, yüksek performans ve sürdürülebilirlik tek bir dokunuşta birleşiyor. With these innovative fabrics, high performance and sustainability come together in a single touch.

İhtiyacınıza uygun özel üretim ve renk seçenekleriyle hizmetinizdeyiz.

We are at your service with custom production and color options tailored to your needs.
